Technical Officials

Technical Officials are highly valued members in the swimming community. Swim meets all over Queensland, Australia and internationally, can only run thanks to their efforts.

New technical officials are always welcome!

Becoming a technical official is a rewarding experience. Not only can getting involved in your local Club, it can be an excellent way to contribute to your community, provide an opportunity to spend time with your children, stay physically active, develop new skills and create lifelong friendships.

In order for swim meets to run effectively, we rely on people volunteering their time and skills. In swimming, all the amazing volunteers out on pool deck and in the control room are called Technical Officials or TO's for short. These TO's, along with other volunteers, are the backbone of swimming competitions everywhere!

There are a variety of different roles that Technical Officials play at swim meets such as Timekeeper, Judge of Stroke, Inspector of Turns and Referee or Starter.

The FNQ Committee and existing FNQ Officials would like to invite at least one **member from each of the Clubs attending a meet to give up a portion of your day** and come onto the pool deck to learn this valuable skill.

Quite frankly it is the best position to view the swimming, you are right in the thick of the action. FNQ is well known for our timekeeping abilities and that we always step up to the mark if required to fill a position. Now it is time to step up and get some more TO's on deck and learning from the existing TO's.

If you would like to come and learn a little more about the technical side of swimming, please approach Kathy Hare at the Mareeba Carnival.

At the Mareeba Carnival, FNQ is asking for your support to volunteer your time. You do not have to be on deck for the entire day but giving up an hour of your time would be greatly appreciated.

A very big THANK YOU

to all the referees for giving up their time to travel to Mareeba to officiate at our carnival.
This event would not be possible without them.

Mareeba Wildcats Swimming Club wishes to thank FNQ member clubs for their support of our carnival. We hope you have a great day and swim fast!

Lane Warm Up

Warm up: Under Coaches Supervision

Lanes 2 to 5 are reserved throughout the whole of the warm up period as circle swimming lanes.

Lanes 1 and 6 (Start End) are reserved throughout the whole of the warm up period for dive and sprints and walk backs. The shallow end of lane 1 and 6 can be used for backstroke starts and finishes.

Allocated Timekeeping Lanes

LANE 1	LANE 2	LANE 3	LANE 4	LANE 5	LANE 6
Stingrays	Central Cairns	Atherton	Stingrays	Mareeba	Tobruk
Dimbulah	Central Cairns	Atherton	Stingrays	Mareeba	Malanda

Photography Policy

Mareeba Wildcats welcome the proper use of cameras at the venue.

In nominating for this meet swimmers agree that they may be photographed and that images may be used in publications including but not restricted to FNQ or and Swimming club websites and social media sites. Under no circumstances should photos/videos be taken in the toilets or change rooms.

Timekeeping Information

Due to COVID we will be using Dolphin Watches as our primary timekeeping watch, however a back-up stopwatch time will also need to be recorded. If you are using both the Dolphin and stopwatch you need to start only the stopwatch when the starter starts the race but then stop both watches when the swimmer touches the wall. The stopwatch time is then to be recorded on the lane sheet provided.

Dolphin Watches

- The starter will automatically start all watches.
- Press either of the side **Start/Stop** buttons to stop your watch when your swimmer touches the wall to finish.
- You should not press any other buttons unless you are blanking your lane (see next point).
- If there is no swimmer in your lane for the current heat, **press Reset 10 seconds after the start**. Your watch will display a line of dashes indicating that your lane is blanked. After the Starter has reset the watches, your watch will automatically accept the start signal for the next race.
