Timekeeping

There will be two timekeeper per lane. Please do not watch the swimmer come in as this will cause you to anticipate the swimmer's finishing touch. Watch the wall for the touch. Please ask the chief timekeeper if you have any queries. Refer to the tables below for club lane allocations. Thank you to all clubs for giving your time generously to help ensure the success of this carnival.

Watches

- The starter will automatically start all watches.
- Press either of the side **Start/Stop** buttons to stop your watch when your swimmer touches the wall to finish.
- You should not press any other buttons unless you are blanking your lane (see next point).
- If there is no swimmer in your lane for the current heat, **after the start you can press Reset**. Your watch will display a line of dashes indicating that your lane is blanked. After the Starter has reset the watches, your watch will automatically accept the start signal for the next race.
